What is it about a pretty girl in a tight skirt bent over to adjust her stockings? Or that hotter-than-hot butch, swaggering into the bar like she owns it, eyes undressing every pretty girl in the place?

Some butches worship at the altar of their femmes fatale and many little girls have a need to serve their big, strong daddies. In *The Harder She Comes*, we meet girls salivating at the sight of well-filled and packed jeans and bois dreaming of having a beautiful girl's red lipstick smeared across their mouths. D. L. King has curated a singular set of stories filled with sexy sirens luring unsuspecting butches to their demise on the rocky shores of love and hot, confident women in silk and lace during the day who will do anything to serve their daddies' needs at night. *The Harder She Comes* is great writing with characters that will stay with the reader for a long, long time — sometimes sweet, always sexy, often romantic, and more than a little dangerous.
