Risking all their hopes and dreams on promises of fertile land in the Northwest, thousands set off on the Oregon Trail between 1843 and the 1890s. Despite the majestic landscape and daily opportunities for fireside chats, the trail was hardly the place these migrants expected to find romance. In these nine novellas, travelers on the wagon trains experience all the challenges and dangers of the trail. Some will lose much, settle down along the trail, and even turn back home, while others endure to the end. Readers will enjoy traveling along with the romantic adventures in which faith is honed.
