Regan O'Riley has just about given up hope that she will ever find a woman into shy, geeky programmers. She yearns for a connection, but can't seem to make the first move. Mel Raines knows all about making moves. After a childhood under the thumb of her alcoholic father, she avoids intimacy by drowning herself in fiery, fleeting encounters with strangers. When Regan and Mel meet in a straight bar, of all places, their chemistry is unmistakable. Before they can begin to explore their new relationship, Mel's world is rocked when a close friend is a victim in a shooting. Regan suggests they take a road trip to escape reality for a little while, and Mel is only too ready to shake things up. Together they embark upon a physical and emotional journey where they discover that breaking free of old habits may be the only way to change your life.
