A Matter of Life

Jeffrey Brown

A Matter of Life Jeffrey Brown

After the acclaimed indie film *Save the Date* and the bestselling all-ages humor book *Darth Vader and Son*, graphic novelist Jeffrey Brown (*Clumsy*, *Unlikely*) returns to the autobiographical work that first made his reputation. In *A Matter of Life*, Jeffrey Brown draws upon memories of three generations of Brown men: himself, his minister father, and his preschooler son Oscar. Weaving through time, passing through the quiet suburbs and colorful cities of the midwest, their stories slowly assemble into a kaleidoscopic answer to the big questions: matters of life and death, family and faith, and the search for something beyond oneself.
