Cold War: An International History

Carole K. Fink

Cold War: An International History Carole K. Fink

More than a bipolar conflict between two Superpowers, the decades-long Cold War had implications for the entire world. In this accessible, comprehensive retelling, Carole K. Fink provides new insights and perspectives on key events with an emphasis on people, power, and ideas, along with cultural coverage “from the Beetle to the Beatles.” *Cold War* goes beyond US-USSR relations to explore the Cold War from an international perspective, including key events and developments in Africa, Asia, and Latin America. Fink also offers a broader time line of the Cold War than any other text, charting the lead-up to the conflict with the Russian Revolution and World War II and discussing the aftermath of the Cold War since 1992. Based on the latest research and scholarship, *Cold War* is the consummate book on this lengthy and complex conflict for today’s students and history buffs.
