Ethics (Hackett Classics) Baruch Spinoza, Samuel Shirley

- Translated by Samuel Shirley
- This edition includes *The Treatise on the Emendation of the Intellect and Selected Letters*.

Since their publication in 1982, Samuel Shirley's translations of Spinoza's *Ethics* and *Selected Letters* have been commended for their accuracy and readability. Now with the addition of his new translation of *Treatise on the Emendation of the Intellect* this enlarged edition will be even more useful to students of Spinoza's thought.

"Professor Shirley has provided a translation which is fluent, eminently readable, and responsive to current research into Spinoza's thought. Where a particular passage is difficult or obscure, Shirley never attempts to interpose himself between the reader and Spinoza, nor to side with one or another competing school of interpretation. This makes his translation not just an ideal introduction for the reader new to Spinoza, but also a trustworthy source of insight for the more advanced reader."

—Lee C. Rice, Marquette University
