**Catch Me If You Can**

Clandestine operative Alexa Gavlin has a new mission--stay alive long enough to learn why her memory of the last thirty days has been chemically erased. She has no country, no contracts, nothing left but an unlikely ally in former marine and retrieval expert Killian Moore.

Blackmailed into hunting down the operative suspected of ruining his career, Killian sees Alexa as nothing more than some sexy vital statistics and the means to clear his name--until he locks horns with the beautiful agent. He knows Alexa's an expert at deception, yet what they share between the sheets is raw, tender, and very real. But she's on the run again, and Killian knows if he doesn't catch her, the enemy will.

From the jungles of Colombia to the sparkling metropolis of Hong Kong, as each piece falls into place, Alexa and Killian learn that nothing is as it seems, and stopping terrorists set on a collision course will test their precious trust to the absolute limits.
