## **Not Guilty** Patricia MacDonald

When Keely Bennett's world is shattered by the suicide of her beloved husband, Richard, she and her nine-year-old son Dylan have to start over. Her late husband's childhood friend, Mark Weaver, helps Keely settle Richard's affairs and sweeps her into a whirlwind romance -- and eventually a comfortable suburban lifestyle that includes marriage and a beautiful baby girl.

The darkness that clouded Keely's past has all but vanished. Yet Dylan, now a teenager, remains distant, brooding and resentful of his stepfather and baby sister, Abby. Then history repeats itself, and her life is once again thrown into chaos. But Keely's nightmare is just beginning--for the authorities are looking for a murderer, and they already have a prime suspect: Dylan.

Refusing to believe her son is a killer, Keely vows to clear his name. But the prosecutor has a personal stake in seeing Dylan convicted -- and her pleas for help from the police fall on deaf ears. To save her son, Keely must rely on herself. But she is far from alone; someone is watching her every move. When her investigation threatens to uncover a conspiracy of secrets and corruption, she is suddenly plunged into the path of danger - - and into the sights of a ruthless killer who will stop at nothing to ensure the truth stays buried forever....

Seamlessly weaving a psychological portrait of the bond between a mother and son with the breathless intrigue of a murder mystery, *Not Guilty* is a novel that finds Patricia MacDonald at the height of her celebrated powers.
