Are these pretty, curvy mandalas... or are provocative images hidden among the shapes? It's all in how you look at these mandalas, and how you color them, too. This book contains 35 original mandalas based on Aisling's "Pearls, Swirls, and Stars" coloring book. Those designs were twisted and reflected, kaleidoscope-style, creating new, intriguing images. Each design is printed on one side of the page. Some designs are simple. Others are more complex. Every page can be as innocent or as racy as you want it to be!
