One of *Publishers Weekly*'s Best Nonfiction Books of 2013

A *Kirkus Reviews* Best Nonfiction Book of 2013

A riveting examination of a nation in crisis, from one of the finest political journalists of our generation

American democracy is beset by a sense of crisis. Seismic shifts during a single generation have created a country of winners and losers, allowing unprecedented freedom while rending the social contract, driving the political system to the verge of breakdown, and setting citizens adrift to find new paths forward. In *The Unwinding*, George Packer, author of *The Assassins' Gate: America in Iraq*, tells the story of the United States over the past three decades in an utterly original way, with his characteristically sharp eye for detail and gift for weaving together complex narratives.

The Unwinding journeys through the lives of several Americans, including Dean Price, the son of tobacco farmers, who becomes an evangelist for a new economy in the rural South; Tammy Thomas, a factory worker in the Rust Belt trying to survive the collapse of her city; Jeff Connaughton, a Washington insider oscillating between political idealism and the lure of organized money; and Peter Thiel, a Silicon Valley billionaire who questions the Internet's significance and arrives at a radical vision of the future. Packer interweaves these intimate stories with biographical sketches of the era's leading public figures, from Newt Gingrich to Jay-Z, and collages made from newspaper headlines, advertising slogans, and song lyrics that capture the flow of events and their undercurrents.

The Unwinding portrays a superpower in danger of coming apart at the seams, its elites no longer elite, its institutions no longer working, its ordinary people left to improvise their own schemes for success and salvation. Packer's novelistic and kaleidoscopic history of the new America is his most ambitious work to date.

From reader reviews:

Augustus Chase:

Information is provisions for individuals to get better life, information currently can get by anyone on everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is inside the former life are challenging to be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Unwinding: An Inner History of the New America as the daily resource information.

Peter Chatman:

Are you kind of stressful person, only have 10 as well as 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book than can satisfy your small amount of time to read it because this time you only find guide that need more time to be read. The Unwinding: An Inner History of the New America can be your answer since it can be read by a person who have those short extra time problems.

Kathleen Huckaby:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Unwinding: An Inner History of the New America can make you sense more interested to read.

Nancy Soto:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from the book. Book is created or printed or illustrated from each source this filled update of news. In this modern era like currently, many ways to get information are available for an individual. From media social including newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just seeking the The Unwinding: An Inner History of the New America when you needed it?
