The delirious pursuit of love is a search that inevitably takes us all both down the well-beaten path and into new, uncharted territory. In this collection of thirty-three heart-tugging and hilarious essays, celebrated Electronic Urban Report columnist Steven Ivory chronicles his lifelong quest for that thing we all crave: The Meaningful Relationship.

The journey begins with his first love -- his mother -- before making an amusing pilgrimage through lust-filled adolescent affections, an awkward introduction to sex, and a series of poignant and funny adventures of unrequited love, bungled blind dates, and the Ones That Got Away.

Propelled by a wit rivaled only by a willingness to bare his soul, Ivory's revelations on kissing, game-playing, sexual satisfaction, and personal insecurities culminate in a startling, life-altering discovery that touches your funny bone as well as your heart.
