Bad Teacher! How Blaming Teachers Distorts the Bigger Picture (The Teaching for Social Justice Series) Kevin K. Kumashiro

In his latest book, leading educator and author Kevin Kumashiro takes aim at the current debate on educational reform, paying particular attention to the ways that scapegoating public school teachers, teacher unions, and teacher educators masks the real, systemic problems. He convincingly demonstrates how current trends, like market-based reforms and fast-track teacher certification programs are creating overwhelming obstacles to achieving an equitable education for all children.

Bad Teacher! highlights the common ways that both the public and influential leaders think about the problems and solutions for public education, and suggests ways to help us see the bigger picture and reframe the debate. Compelling, accessible, and grounded in current initiatives and debates, this book is important reading for a diverse audience of policymakers, school leaders, parents, and everyone who cares about education.

Kevin K. Kumashiro is director of the Center for Anti-Oppressive Education and president-elect (2010–2012) of the National Association for Multicultural Education. He is a professor at the University of Illinois at Chicago, and the author of *The Seduction of Common Sense: How the Right Has Framed the Debate on America's Schools*.

Praise for *Bad Teacher!*

“This book could be a springboard for teachers . . . to become more actively involved in advocating for a paradigm shift in our concept of education.”

—**Grace Lee Boggs**, The Boggs Center

“Kumashiro is a remarkable sleuth who . . . shows us how the deck is stacked, how the game is played, who gains, and who loses. Join him in a clarion call to build a Movement to reclaim public education.”

—**Robert P. Moses**, The Algebra Project

“Courageous, blunt, and hopeful, *Bad Teacher!* offers a democratic vision for true educational change.”

—**Sonia Nieto**, University of Massachusetts at Amherst

“Anyone seeking to understand why so many of the reforms we have pursued have failed will benefit from reading this book.”

—**Pedro A. Noguera**, New York University

“Kumashiro explains why we should think differently about the prescriptions that are now taken for granted—and wrong.”

—**Diane Ravitch**, New York University, author of *The Death and Life of the Great American School System: How Testing and Choice Are Undermining Education*

“Kumashiro expertly examines the many forces working against public education, and how and why these forces are at play.”

—**Dennis Van Roekel**, President, National Education Association

“*Bad Teacher!* is oh-so-smart and timely. . . . This book attacks head-on the ragged patchwork of ‘school reform’ that has left us without even the vocabulary to frame what’s gone wrong.”

—**Patricia J. Williams**, Columbia Law School

2012 *Must-read book about K–12 education in the U.S.*, Christian Science Monitor

This is one e-book that can break don't judge book by its deal with, so do you still needing another sixth sense to pick this specific!?! Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

Jennifer Evans:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for

yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Bad Teacher! How Blaming Teachers Distorts the Bigger Picture (The Teaching for Social Justice Series) can make you feel more interested to read.
