The Fiercest of Warriors?

Vero Leland always suspected he was different from others his own age, ever since his childhood attempts to fly. But he never could have predicted the truth?or how much his life was about to change.

Soon after his twelfth birthday, Vero learns he is a guardian angel and is abruptly transported to the Ether, the spiritual realm that surrounds the earth. Yet before he can be counted among these fierce warriors, Vero must learn to master his growing powers, competing with other angels-in- training and battling demonic creatures known as maltures as well as mythical creatures such as the leviathan.

Until his instruction is complete, Vero needs to alternate between the Ether and his regular life. If he survives training and accepts his destiny?a destiny he did not choose?he must leave everything behind, including his family and the life he loves. Meanwhile, an evil is growing?the maltures are rising, and Vero appears to be their target.
