She learns secrets with a touch. He has secrets to hide.

Insurance investigator Gabrielle Healey uses her touch clairvoyance to learn the truth about disasters. But when the crippled Densmore building can't provide the answers she needs to deny the claim, surely the man who designed it can. The evidence points to a flawed design. A touch will confirm his guilt.

Brilliant architect Christian Ziko has secrets he can't reveal, and not that he caused the building he created to collapse. With the victims' families howling for justice and a grand jury poised to indict him, he must uncover what happened so he can clear his name and his conscience. Yet his brother and business partner discourage him. When a clue unearths terrible truths about the people he trusts, Christian is forced to ask beautiful Gabrielle for help. But someone wants their investigation terminated...and is willing to kill to keep their secrets hidden.
