Vampire High Douglas Rees

It doesn't take long for Cody Elliot to realize that his new high school is a little different. The other students are supernaturally strong, don't like the sunlight, and are always placing orders at the local blood bank. When his new friend shows him his fangs, Cody doesn't need any more clues—these kids are vampires! As Cody struggles to fit into this secretive community, he disrupts centuries of human-vampire segregation, with some serious—and some seriously funny—consequences.

In sharp, humorous, and insightful prose, Douglas Rees creates a world of vampires where the real issue for humans is not the fear of being bitten, but the need to get along.

From the Hardcover edition.
