Georges Bataille

A parte maldita: Precedida de "A noção de dispêndio" (Portuguese Edition) Georges Bataille

"De fato, do modo mais universal, isoladamente ou em grupo, os homens se encontram constantemente empenhados em processos de dispêndio. A variação das formas não acarreta nenhuma alteração das características fundamentais desses processos cujo princípio é a perda. Uma certa excitação, cuja soma é mantida no correr das alternativas a uma estiagem sensivelmente constante, anima as coletividades e as pessoas. Em sua forma acentuada, os estados de excitação, que são comparáveis a estados tóxicos, podem ser definidos como impulsos ilógicos e irresistíveis à rejeição dos bens materiais ou morais que teria sido possível utilizar racionalmente."

Georges Bataille
