Alexander tries his hand at behaving in this hilarious companion to the bestselling classic *Alexander and the Terrible, Horrible, No Good, Very Bad Day*.

Last night somebody ate a whole box of jelly donuts. That somebody woke up with a terrible bellyache, and that somebody's mom found the empty box and told that somebody that there are going to be consequences.

That somebody is Alexander, and Alexander really hates consequences.

So from now on, he is going to try his best to be the Best Boy Ever. For the complete and entire rest of his life. Starting right this very minute.

But there are all sorts of things that you can't do when you're being the Best Boy Ever. Fun things. Very important things. Things that Alexander *might*—just might—like a little bit more than he hates consequences.
