**Comprehensive Construction Law** Michael W. Brimley, Steve D. Meacham, Richard L. Peel

The overall goal of this manual is to give you the insight and practical advice that you need for completing your construction project successfully without litigation and avoiding the major disputes that plague many projects. It addresses crucial issues in planning and pre-construction, keeping the project going despite performance problems, protecting your interests when major disputes arise and getting paid. It identifies new trends in the construction industry that will make a difference in your bottom line. After completing this course, readers will be able to recognize the steps that are necessary to avoid major disputes and deal with problems as they arise.
