This book recounts the organization and deployment of one of the most important fighting armies of World War II. Australian divisions made a large and distinctive contribution to victory both in the deserts of the Middle East and the jungles of the South-West Pacific, earning for the second time a unique reputation for aggressiveness, endurance and independence of spirit. The text is illustrated with original wartime photos from all fronts; and with full colour plates showing a wide range of uniforms and gear, together with the complex and colourful Australian system of unit insignia.
