Brainless: The Lies and Lunacy of Ann Coulter Joe Maguire

She is an uncompromising apologist for the right and a hater of all things left. Is there anything she won't do or say to further her agenda? The answer is no.

Brainless: The Lies and Lunacy of Ann Coulter is an unbridled look at a woman who twists the truth, misleads, plays loose with facts and allusions, and has been accused of plagiarism in hammering home her logic-defying arguments.

Brainless illustrates the dangers, ironies, and hypocrisies of the Mistress of Malice. She spews her venom generously across the spectrum. Democrats and Liberals are just the beginning. If you're a woman (you shouldn't vote), gay (you're going to hell), a 9/11 widow (dancing on your murdered husband's grave) or Bill Clinton (slurs and charges too numerous to mention here), you will find yourself the object of her ire.

Now it's time to turn the tables and take a good hard look at the High Priestess of Hypocrisy. Journalist Joe Maguire takes apart her arguments, picks apart her agenda, and gives us a look at the psychology and background of the woman who has reduced public political and cultural debate to browbeating and name-calling.

Diligently researched (with source notes you can verify!), Maguire separates fact from myth and gives us an unvarnished look at the REAL Ann Coulter.

Let's face it. You don't ever want to read a book by Ann Coulter. Read this so you don't have to!
