## **Cattività (Italian Edition)** Joseph Conrad

Fra il 1904 e il 1906 Joseph Conrad scrisse quindici brani che spaziavano dal racconto al saggio e che apparvero su varie riviste prima di essere raccolti nel volume *The Mirror of the Sea*. Due di quei “bozzetti marinareschi” vengono ora riproposti in una nuova traduzione: *Cattività* fu composto nel 1905 e pubblicato per la prima volta su «*Blackwood's Magazine*», mentre *Iniziazione* fu edito nel 1906 sulla stessa rivista. Il primo è una mirabile e poetica riflessione sull'inattività delle barche, colte dallo scrittore mentre oscillano sull'acqua, ancorate ai moli del porto e sorvegliate da marinai “rinnegati” che “si aggirano furtivi tra le banchine con una segreta aria di compiacimento nel vedere lo spirito spezzato delle nobili prigioniere”. Il secondo testo è un omaggio all'infinita varietà di forme e linee che solcano i mari, un inno d'amore all'arte della costruzione navale, alla personalità e alle qualità irripetibili delle navi. Due splendidi scritti dedicati a chi, come Conrad, sente di essere marinaio nel cuore e nella mente, ma, soprattutto, un tributo “al mare eterno, alle navi che non ci sono più e agli uomini semplici che hanno fatto il loro tempo”.
