**Rain of Scorpions and Other Stories (Clasicos Chicanos/Chicano Classics, 9)** Estela Portillo Trambley  
The Clasicos Chicanos/Chicano Classics series is intended to ensure the long-term accessibility of deserving works of Chicano literature and culture that have become unavailable over the years or that are in imminent danger of becoming inaccessible. Each of the volumes includes an introduction contextualizing the work within Chicano literature and a bibliography of works by and about the author. The series is designed to be a vehicle that will help in the recuperation of Raza literary history and permit the continued experience and enjoyment of our literature by both present and future generations of readers.

In this updated and expanded collection of interrelated stories, Portillo Trambley dares again to create a new vision for Chicanas. Through bold acts they gain freedom, like Clotilde in *The Paris Gown*, who descends naked to greet the guests at her betrothal party and so escapes her impending arranged marriage. In a hostile world such women find hope and the strength to begin healing themselves and their community.
