Here is the new *Zombie Notes* with the AHA ECC 2010/11 updates. This study guide, updated 03/10/15, includes the most important information healthcare professionals must memorize to be successful on the certification exam for Advanced Cardiac Life Support (ACLS). Although a lot of information is included here, it is easy to see, easy to read, and easy to follow. Many thousands of hospitals, colleges, RNs, PAs, and MDs, and other healthcare professionals have used this study chart. These charts were first developed by Michele and her husband Joe in 1984. They have progressed to their current form, and are kept up-to-the-minute accurate. Please email Michele if you have any questions about this study guide, or any aspect of nursing. This study guide can also be purchased on Amazon as a laminated chart.
