Capitalist Restructuring, Globalization and the Third Way: Lessons from the Swedish Model (RIPE Series in Global Political Economy) J. Magnus Ryner

This book addresses the contemporary debate about the 'third way' in European social democracy, by analysing the *exemplar* case of social democracy - 'the Swedish model' - this book challenges the recent 'third way' perspective. The author argues strongly against the widely held belief that the nature of contemporary capitalist restructuring and globalisation has rendered traditional social democracy obsolete.
