**How to Live in the City (The School of Life Book 6)** The School of Life, Hugo Macdonald

Building a relationship with a city is a lot like building a relationship with another person - just as cities can be intoxicating, generous and inspiring, so they can also be dangerous, fickle and impenetrable. *How to Live in the City* is a book for navigating and nurturing this important relationship.

Hugo Macdonald believes you need to feel a city to understand it. He won't tell you how wide the perfect pavement should be but he will show you how to walk down a pavement with eyes wide open. This is a book to help you feel human in an inhuman environment.
