The Gospel of John in Cultural and Rhetorical Perspective

S.J., Jerome H. Neyrey

The Gospel of John in Cultural and Rhetorical Perspective S.J., Jerome H. Neyrey

Given all that has been written about the Gospel of John over the past twenty centuries, can anything more possibly be said about it? Yes, says Jerome Neyrey — by reading this “maverick Gospel” in terms of ancient rhetoric and by viewing it in terms of cultural anthropology. / By interpreting the text in these two fresh ways, Neyrey distinctively illuminates the Gospel of John, casting new light on its theological message and on such topics as Jesus the revealer practicing secrecy, foot-washing as transformation ritual, and the Jewish background of Jesus’ equality with God, of Jesus being “greater than” Abraham. Neyrey’s scholarly study will certainly educate — and at times provoke — attentive readers.
