'Can I cook for you?' is a romantic book full of beautiful images, a few steamy stories and dead-easy recipes. It is the perfect gift idea for girlfriends, boyfriends lovers, the newly divorced, the trying not to divorce, the happily single, the unhappily single and the grumpy old/young things that need it, because it's designed for those nerve-wracking first 'come round for a meal' times - when preparing food is the last thing on your mind. There are recipes for entre's, main courses, desserts and some little extra specials. Each one is astoundingly simple, which gives nervous or new cooks the confidence to take things on that they may never have considered.
