A Boy and A Girl Jamie Rich

Travis and Charley have just met. It's Charley's last night in town, and Travis can't let her leave without getting her to go on a date. In a future where real people are rapidly being supplanted by lifelike androids, sometimes one shot is all you get. Intelligence may be artificial, but the emotion is real in a futuristic romance from the writer of *12 Reasons Why I Love Her* and the cartoonist behind *Between Gears*.
