Hinos de todos os países do mundo (Portuguese Edition)

Tiago José Berg

Hinos de todos os países do mundo (Portuguese Edition) Tiago José Berg

O hino da França, inicialmente batizado como "Canto de guerra para o exército do Reno", passou a se chamar "A Marselhesa" quando um grupo de soldados voluntários, vindos da cidade de Marselha, adentram a capital, Paris, entoando a canção e causando uma enorme comoção popular, em 30 de julho de 1792.

Depois de anos de pesquisa, o geógrafo Tiago José Berg reuniu no livro Hinos de todos os países do mundo as letras, as traduções, as histórias e as curiosidades dos hinos nacionais de todos os 194 países do mundo.

O leitor irá conhecer detalhes curiosos dos hinos de países poderosos, como os Estados Unidos, com seu pendão listro-estrelado; e o Japão, com a letra de hino mais antiga do mundo (do século IX). Vai se surpreender com a história de hinos de países como o Djbuti, localizado na região conhecida como "Chifre da África", ou o Butão, clamado em seu hino como "Druk tsendhen" (Reino do Dragão).

O autor propõe uma viagem cheia de surpresas ao redor do mundo sob a óptica dos hinos nacionais. O hino da Índia foi escrito pelo primeiro asiático a receber o Prêmio Nobel de Literatura; a letra instituída por Saddam Hussein ao Iraque foi abolida após sua deposição em 2003, e o atual hino foi composto por um palestino e dois libaneses; a Grécia e o Chipre dividem o mesmo hino; o presidente de Senegal compôs a letra do hino de seu próprio país.

Os hinos não são apenas símbolos dos países que representam, mas também, testemunhas de sua história. Não por acaso, um dos temas mais recorrentes nestas canções é a conquista da liberdade. Você vai entender melhor as lutas e as conquistas que marcaram a história da humanidade
