## **Hope in a Scattering Time: A Life of Christopher Lasch** Eric Miller

Christopher Lasch was a leading intellectual of the twentieth century. His work consistently probed the nation's political and cultural terrain, considering the unruly thrust of America's history and the possibilities of a better way. *Hope in a Scattering Time* is the first and only full biography of this towering intellectual figure.

Miller plumbed Lasch's published writings, his correspondence, and interviews and correspondence with his friends, students, and colleagues to create this comprehensive biography. In these pages Eric Miller captures the evolving nature of Lasch's understanding of the world and his fight for clarity and insight in a muddled age.

Christopher Lasch's sharp, prophetic stance caused many in his time to rethink what they thought they had understood, and to consider the world anew. Fifteen years after Lasch's death, the time is ripe to once again follow his lead and to reassess how we view and understand our world.
