## Sex Wars: A Novel of Gilded Age New York Marge Piercy

Post-Civil War New York City is the battleground of the American dream. In this era of free love, emerging rights of women, and brutal sexual repression, Freydeh, a spirited young Jewish immigrant, toils at different jobs to earn passage to America for her family. Learning that her younger sister is adrift somewhere in the city, she begins a determined search that carries her from tenement to brothel to prison—as her story interweaves with those of some of the epoch's most notorious figures: Elizabeth Cady Stanton; Susan B. Anthony; sexual freedom activist Victoria Woodhull, the first woman to run for president; and Anthony Comstock, founder of the Society for the Suppression of Vice, whose censorship laws are still on the books.

In the tradition of her bestselling World War II epic *Gone to Soldiers*, Marge Piercy once again re-creates a turbulent period in American history and explores changing attitudes in a land of sacrifice, suffering, promise, and reward.
