The Fixer

Bernard Malamud

The Fixer Bernard Malamud

Set in czarist Russia, *The Fixer* is the story of the strains and anxieties that beset a man who finds himself a stranger in his community and a victim of irrational prejudice as a wave of anti-Semitic hysteria engulfs a town after the murder of a boy. Yakov Bok, an ordinary handyman, is charged with the "ritual murder" of the boy simply because of his Jewish heritage. The story of Bok's struggle in an atmosphere of hate is universally applicable to that of any victim of a miscarriage of justice and mob prejudice.
