Star Trek: Deep Space Nine: Fearful Symmetry Olivia Woods

In our universe, a Cardassian sleeper agent--Iliana Ghemor--was once surgically altered to resemble and replace resistance fighter Kira Nerys, future Starfleet captain and hero of the planet Bajor's liberation. That plan never reached fruition, and the fate of the agent remained unknown...until now.

Robbed of the past sixteen years, Iliana Ghemor is back with a vengeance. Over a decade and a half of imprisonment and abuse by her former masters has brought her to the brink of madness, sustained only by the twisted belief that she is, in fact, the real Kira Nerys. She has already made one near-successful attempt on the real Kira's life, but instead of assuming the identity of the woman she was intended to replace, Ghemor has set her sights on the most unexpected target of all: Kira's other double, the malicious Intendent, Bajor's iron-fisted ruler in the alternate reality commonly known as the "Mirror Universe." But far more is unfolding in the Mirror Universe than Ghemor realizes, and the heroes of Deep Space Nine somehow must stop the false Kira without derailing the delicate flow of history that must unfold if both universes, and countless others, are to survive.

Parallel stories set in both universes reflect and build upon each other in this Two-in-One "Flip Book," the continuation of both the ongoing DS9 saga as well as the Mirror Universe line of books.

Williams Carter:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many concern for the book? But any people feel that they enjoy for reading. Some people likes studying, not only science book but in addition novel and Star Trek: Deep Space Nine: Fearful Symmetry or even others sources were given know-how for you. After you know how the truly great a book, you feel want to read more and more. Science e-book was created for teacher as well as students especially. Those textbooks are helping them to include their knowledge. In some other case, beside science publication, any other book likes Star Trek: Deep Space Nine: Fearful Symmetry to make your spare time considerably more colorful. Many types of book like here.

David Gaiter:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Star Trek: Deep Space Nine: Fearful Symmetry can make you feel more interested to read.
