## **The Chair of Saint Peter: A History of the Papacy** William J. La Due

The Chair of St. Peter surveys the history of the papacy from the first century to the current papal office of Pope John Paul II. At the approach of the third millennium, the office of the papacy remains a vital sign of unity in the Catholic church and a link with the earliest church. But the papal office in its current form is the product of a long and conflicted history of evolution. The Chair of St. Peter is an essential resource for future discussions about the shape of church to come.
