**Wieland; or the Transformation (Hackett Classics)** Charles Brockden Brown, Philip Barnard, Stephen Shapiro

A thrilling tale that leads from ventriloquism and mania to a family murder and emotional breakdown, Charles Brockden Brown's

Wieland; or The Transformation

(1798) ties revolutionary-era Gothic themes to struggles over the politics of Enlightenment on both sides of the Atlantic.

This edition of

Wieland

includes Brown's

Memoirs of Carwin the Biloquist

and writings on Cicero, as well as his key essays on history and literature, and selections from contemporary German and other texts that figure in the novel's background and in the charged atmosphere of the late 1790s.
