Not every child is lucky enough to live in a safe, loving home. Many young people live in difficult, unhealthy, or even dangerous conditions. Luckily, there are systems in place to help kids caught in these situations. Child protective services are working hard to help children in need. Ryan Delaney is one of these kids. He spends most of his time living in a fantasy world, because that's easier than facing his real life. He lies to his friends about his parents and his home—but eventually, the truth catches up with him, forcing him to get the help he needs. As you read Ryan's story, you will learn about the history of the child protective services and find out about the programs and services offered today.
