Security+ Certification Training Kit (Pro-Certification) Microsoft Corporation, Andy Ruth, Kurt Hudson

The CompTIA Security+ certification exam measures industry-standard knowledge and competencies for managing information security. And now you can build the skills tested every day, on the job—as well as on the Security+ exam—with this all-in-one training kit. Work at your own pace, using lessons and hands-on exercises co-developed by two Security+ certified professionals. As you develop the real-world expertise needed to help protect corporate information systems and data, you're also preparing for the Security+ exam—the newest CompTIA credential.

BUILD THE SKILLS TO:

- Identify and help mitigate security risks—essential concepts
- Know and apply the basic principles of cryptography, keys, and certificates
- Monitor and help secure vulnerabilities in TCP/IP and network infrastructure
- Help protect e-mail, RAS, VPNs, wireless services, and other online communications
- Configure user and group privileges, access control, and authentication
- Implement security baselines, system updates, and intrusion detection
- Create an operational security plan—from physical security to business continuity
- Build an organizational security program—documentation, risk assessment, user education

YOUR KIT INCLUDES:

- Comprehensive self-paced study guide that maps to Security+ exam goals and objectives
- Learn-by-doing exercises for skills you can apply to the job
- Lesson summaries and review questions, including a complete Q&A summary
- Testing tool that generates realistic practice exams with automated scoring and explanations for both correct and incorrect answers
- Key chapters from the Microsoft Windows® Security Resource Kit—for real-world knowledge that goes beyond the exam
- Supplemental security articles on CD from the National Institute of Standards and Technology, the Internet Engineering Task Force, and the Common Criteria organization
- Fully searchable eBook version of the study guide

A Note Regarding the CD or DVD

The print version of this book ships with a CD or DVD. From reader reviews:

Anthony Hubbard:

The book Security+ Certification Training Kit (Pro-Certification) can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book Security+ Certification Training Kit (Pro-Certification)? Several of you have a different opinion about publication. But one aim which book can give many info for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or info that you take for that, it is possible to give for each other; you are able to share all of these. Book Security+ Certification Training Kit (Pro-Certification) has simple shape however, you know: it has great and large function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Darla Kemp:

In this 21st hundred years, people become competitive in every single way. By being competitive today, people have do something to make these survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive boost then having chance to stand than other is high. To suit your needs who want to start reading some sort of book, we give you this particular Security+ Certification Training Kit (Pro-Certification) book as beginning and daily reading guide. Why, because this book is greater than just a book.

Richard Thompson:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is from the former life are difficult to be find than now's taking seriously which one would work to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Security+ Certification Training Kit (Pro-Certification) as the daily resource information.

Billie Gallagher:

Playing with family in a park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Security+ Certification Training Kit (Pro-Certification), it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its called reading friends.
