Photographer Paul Kozal's intimate and ethereal black & white images of trees both capture our imagination, and pique our curiosity. Kozal is able to incorporate atmosphere, evocative tones, and a gentle luminosity creating a unique signature style that disarms our senses and seemingly transcends reality.

Lucy Broussard:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Nature of Trees 2015 Mini Calendar can make you feel more interested to read.
