In *Three Gospels*, the esteemed novelist, dramatist, scholar, essayist, and poet, Reynolds Price turned his attention back to a literary love he had discovered earlier in his career: translation. But for Reynolds that didn't mean abandoning his passion for writing original work; powerful and imaginative, *Three Gospels* offers eloquent translations of the Gospels of Mark and John as well as a gospel never before seen—an original one written by Price himself. These stunning triumphs of imagination tell and retell some of the most iconic ancient stories in Price's unparalleled literary voice.
