Educando meninos (Portuguese Edition)

James Dobson

Educando meninos (Portuguese Edition) James Dobson

Os meninos são brutos, agitados, gostam de brincadeiras mais nojentas e radicais, são muito mais fortes que as meninas, não precisam de tantos cuidados. Pensando assim, muitos pais e mães acabam por negligenciar áreas importantes da educação de seus filhos, o que terá um reflexo negativo em seu futuro como homens, maridos e pais. A mídia bombardeia os garotos constantemente com influências negativas à formação de caráter. O forte apelo quanto à opção sexual é apenas um dos muitos desafios que os meninos enfrentam hoje. Além disso, eles precisam decidir cada vez mais cedo a carreira que irão seguir e que lhes proverá melhores rendimentos e ainda lidar com a autoafirmação diante dos amigos, o que tem levado muitos deles ao vício no álcool, nas drogas, no sexo, tornando-os emocionalmente frágeis e psicologicamente abalados. Como fazer para que seu filho fique livre das tristes estatísticas? O dr. James Dobson aponta um norte na educação de seu menino e esclarece as dúvidas mais comuns sobre as questões biológicas, comportamentais e educacionais, tornando este livro um manual indispensável para a criação da uma nova geração de homens: fortes, íntegros e seguros.

From reader reviews:

Nancy Fisher:

What do you ponder on book? It is just for students since they are still students or the item for all people in the world, exactly what the best subject for that? Just you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't need do that. You must know how great and important the book Educando meninos (Portuguese Edition). All type of book would you see on many methods. You can look for the internet sources or other social media.

Thelma Scott:

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question simply because just their can do which. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need this specific Educando meninos (Portuguese Edition) to read.

Denise Rutledge:

Exactly why? Because this Educando meninos (Portuguese Edition) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Rocky Melvin:

Reading a publication make you to get more knowledge from it. You can take knowledge and information from the book. Book is composed or printed or illustrated from each source that will filled update of news. On this modern era like at this point, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just trying to find the Educando meninos (Portuguese Edition) when you desired it?
