#### Recapturing Eve Erin Perkins

Recapturing Eve is a spiritual story written in the form of allegory. We have attempted to communicate our experience with life in the Spirit of God and the challenges we face as believers here on this fallen planet. The story is told through the eyes of a narrator, who describes his imagination about the lives of the central characters, Husband and Wife. They are on a journey, following the narrow path that leads to a life of freedom. Along the way they are pursued by their enemies, but receive assitance from their Allies and companions. This is a story of fellowship. Our sincere desire is to encourage all who seek life in the Spirit. May God's grace and the reality of our spiritual journey continue to call us onward and upward as we grow together in the love of our dear Savior Jesus.
