## The Art and Science of Dance/Movement Therapy: Life Is Dance

*The Art and Science of Dance/Movement Therapy* offers both a broad understanding and an in-depth view of how and where dance therapy can be used to produce change. The chapters go beyond the basics that characterize much of the literature on dance/movement therapy, and each of the topics covered offers a theoretical perspective followed by case studies that emphasize the techniques used in the varied settings. Several different theoretical points of view are presented in the chapters, illuminating the different paths through which dance can be approached in therapy.
