**El cuerpo secreto (Voces / Literatura nº 222) (Spanish Edition)** Mariana Torres Jiménez

En este libro la inocencia, la crueldad y el dolor conviven juntos en un solo cuerpo. Mariana Torres nos invita, con este sorprendente estreno, a adentrarnos en un mundo híbrido, donde los protagonistas de los cuentos son niños dolientes, que se mueven entre cajas, cascarones y algún que otro ataúd. ¿Cuánto queda de nosotros en estos niños que sienten?

La invitación es clara: leer y soltar, volver convertido en otra cosa. Si pudieran contarse serían treinta y cuatro relatos, escritos por una nueva voz. Corren de uno a otro de manera casi milimétrica, medidos para ir dibujando en la mente, o más bien en el cuerpo, del lector una emoción concreta, que no tiene un solo nombre. Y es que todo aquello que nos crece dentro puede crecer en forma de planta.

El cuerpo secreto es su primer libro de cuentos.
