*César Vidal*

**Los orígenes de la Nueva Era (Spanish Edition) César Vidal  
César Vidal desenmascara las doctrinas ocultas del movimiento de la Nueva Era en esta obra bien documentada.**

La Nueva Era no es un movimiento aparecido de la nada en el siglo veinte. Su ideología y práctica se originan en la Gnosis. Durante el siglo primero A.D. se asistió a un vigoroso crecimiento de esta filosofía que manifestaba la pretensión de guardar en su seno el mensaje auténtico de Jesús. Frente a él se alzó un conjunto de personajes que veían a la Gnosis como una perversión del mensaje cristiano y a su "Cristo" como "otro Cristo", radicalmente distinto del histórico. Para ellos, la Gnosis era un enemigo peligroso que debía ser abatido.

Partiendo de los documentos históricos, *Los orígenes de la Nueva Era* relata la pugna colosal en la que se enfrentaron dos cosmovisiones diametralmente opuestas, la neotestamentaria y la gnóstica.

Las consecuencias de esta pugna resultan visibles, incluso en nuestros días, en el desarrollo e ideología de la Nueva Era.
